## BIBLE READING PLAN 2025

Having followed the Rabbi as His Disciples in 2024, in 2025 we will follow in the footsteps of the Early Church – turning to the book of Acts to see what obeying Jesus looks like after His ascension and the outpouring of the promised Holy Spirit.

Our 2025 Bible Reading Plan will focus on the New Testament. Aiming for depth of reading over a quantity of reading the plan calls for one chapter a day. Take your time with each chapter considering what it teaches you about following Jesus.

If you've never tried, an **ABCD Bible Study** method is recommended.

**A – About, A title** – Summarize what the chapter is about and give it a title that helps you remember it's contents.

**B – Best Verse** – What was your favorite verse from the chapter and why?

**C – Challenge** – What challenged you personally from the reading?

**D – Difficulty** – What did you find difficult or confusing from the reading?

With one chapter a day your devotional time should take about 30 minutes daily. Your pastors recommend consumption with one cup of coffee daily for best effect.

Sundays we will gather to hear the word preached together. Monday through Friday will look at the New Testament. Saturdays are optional reading days – if you desire a Sabbath, rest! Saturdays will look back at key Old Testament passages quoted, referenced, and/or fulfilled in the New Testament.

Jesus said, “Everything must be fulfilled that is written about me in the Law of Moses, the Prophets and the Psalms” (Luke 24:44). Both the Old and New Testaments are about Jesus and the aim of this plan is to come to see His glory and majesty more clearly through the lens of Scripture.
